RE: Block 103.05
Lot 121,122,123,124.01 a/k/a 360 – 104th Street
Owner: Margaret Brown

This letter is to confirm your appearance before Mayor and Council concerning the replacement of a Pier at the above address.

I have you scheduled for the Council Meeting of August 5, 2014 at 4:30 p.m. According to the checklist previously sent to you, 10 days prior to the hearing you shall deliver to me eight copies of a survey or plot plan which accurately portrays the property, the buildings located thereon and all existing decks, docks, ramps or floats, together with any proposed decks, docks, ramps or floats. Such survey or plot plan shall show the location of any decks, docks, ramps or floats of the contiguous neighbor on each side of your property and the distances between the decks, docks, ramps or floats of each neighbor.

You will also need to send me an affidavit of service for the notice of the hearing to each property owner within 200 feet of your property.

If you need additional information, please contact me.

Sincerely,

Suzanne C. Stanford
Borough Clerk

Type of Permit: Waterfront Development, Water Quality Certificate	Maximum Approved Capacity, if applicable

This permit grants permission to: reconstruct approximately 103.9 linear feet of bulkhead within 24 inches waterward of the existing bulkhead and construct approximately 77.5 linear feet of bulkhead in-place and to legalize an irregular shaped pier with the dimensions of 44' x 13.2' x 19.6' x 18' x 62.5'x 11.4' with a 3.5' x 19' ramp that leads to a 6' x 25' floating dock as shown on the approved plan.

The approved activities are shown on plans in one sheet entitled "PROPOSED WFD PLAN LOTS 121, 122, 123, 124.01 BLOCK 103.05 (TAX MAP) BOROUGH OF STONE HARBOR CAPE MAY COUNTY, N.J.", dated January 26, 2012, last revised March 5, 2012, and prepared by Thomas R. Deneka, PLS of Stone Harbor Surveyors.

Issuance of this permit in no way relinquishes, and shall not be construed as a relinquishment by the State of New Jersey of any tidelands right, title, ownership/interest in the subject property or in any land surrounding same.

This permit is authorized under, and in compliance with the Rules on Coastal Zone Management (N.J.A.C. 7:7E-1.1 et seq.).

Within 60 days of issuance of this permit, the Permittee must remove the existing 3.5' x 33.5' ramp, the existing "U-shaped" floating dock and a 4' x 8' storage box on the irregular shaped pier located on the property as shown on the approved site plan.

Prior to any waterfront construction, the Permittee must receive approval from the Department of the Army.

This permit does not approve any outfalls discharging to the adjacent waterway.

**The word permit means "approval, certification, registration, etc."*

(General Conditions are on Page Four)

STANDARD CONDITIONS:

1. **Extent of approval:**
   a. This document grants permission to perform certain activities that are regulated by the State of New Jersey. The approved work is described by the text of this permit and is further detailed by the approved drawings listed herein. All work must conform to the requirements, conditions and limitations of this permit and all approved drawings.

   b. If you alter the project without prior approval, or expand work beyond the description of this permit, you may be in violation of State law and may be subject to fines and penalties. Approved work may be altered only with the prior written approval of the Department.

   c. You must keep a copy of this permit and all approved drawings readily available for inspection at the work site.

2. **Acceptance of permit:** If you begin any activity approved by this permit, you thereby accept this document in its entirety, and the responsibility to comply with the terms and conditions. If you do not accept or agree with this document in its entirety, **do not begin** construction. You are entitled to request an appeal within a limited time as detailed on the *Administrative Hearing Request Checklist and Tracking Form* which is available on the Department's website at www.state.nj.us/dep/landuse/forms/index.html.

3. **Recording with County Clerk:** This permit shall be RECORDED in the office of the County Clerk (the REGISTRAR OF DEEDS AND MORTGAGES in the applicable counties) in the county wherein the lands included in the permit are located within ten (10) days after receipt of the permit by the applicant and verified notice shall be emailed to Georgeann Gray, at georgeann.gray@dep.state.nj.us immediately thereafter.

4. **Notice of Construction:** You must notify the NJDEP, Bureau of Coastal and Land Use Compliance and Compliance and Enforcement, in writing, at 1510 Hooper Avenue, Toms River, NJ 08753, at least three working days prior to beginning any construction on the site or any site preparation.

5. **Expiration date:** All activities authorized by this permit must be completed by the expiration date shown on the first page unless otherwise extended by the Division. At that time, this permit will automatically become invalid and none of the approved work may begin or continue until a replacement permit is granted. (Some permits may qualify for an extension of the expiration date. Please contact the Department for further information.)

6. **Rights of the State:**
   a. This permit is revocable and subject to modification by the State with due cause.

   b. Representatives from the State have the statutory authority to enter and inspect this site to confirm compliance with this permit and may suspend construction or initiate enforcement action if work does not comply with this permit.

   c. This permit does not grant property rights. The issuance of this permit shall not affect any action by the State on future applications, nor affect the title or ownership of property, nor make the State a party in any suit or question of ownership.

7. **Other responsibilities:** You must obtain all necessary local, Federal and other State approvals before you begin work. All work must be stabilized in accordance with the *Standards for Soil Erosion and Sediment Control in New Jersey,* and all fill material must be free of toxic pollutants in toxic amounts as defined in section 307 of the Federal Act.

SPECIAL CONDITIONS IN ADDITION TO THE STANDARD CONDITIONS:

1. **Prior to any waterfront construction, the Permitte must receive authorization for the above work by the Army Corps of Engineers pursuant to Section 404 of the Clean Water Act and Section 10 of the Rivers and Harbors Act of 1899. The Army Corp of Engineers should be contacted directly at 215-656-6728.**

2. **Within 60 days of issuance of this permit, the Permittee must remove the existing 3.5' x 33.5' ramp, the existing "U-shaped" floating dock and a 4' x 8' storage box on the irregular shaped pier located on the property as shown on the approved site plan.**

3. **This permit does not approve any outfalls discharging to the adjacent waterway.**

4. **The 103.9 linear feet of replacement, must be reconstructed no more than 24 inches outshore of the existing structure for a vinyl bulkhead, as measured from the waterward face of the toe of the original alignment of the existing timber bulkhead sheathing to the waterward face of the new timber or vinyl bulkhead sheathing. The remaining 77.5 linear feet must be constructed in-place of the existing bulkhead.**

5. **In the event that the new bulkhead requires repair or replacement, this replacement shall be in the same location as the alignment shown on the above referenced plans pursuant to the rule on Structural Shore Protection (N.J.A.C. 7:7E-7.11(e)). Although construction "in place" may require more costly construction techniques, the construction authorized by this permit will not be seen as justification for the waiving of this requirement.**

6. Consistent with Assembly Bill, No. 2804, P.L. 2007, CHAPTER 113 the use of creosote treated material (or other descriptive term from the law) in the construction of the authorized structure(s) is prohibited.

7. All debris generated from the proposed project is to be disposed of at an approved disposal site.

8. The permittee shall immediately inform the Department of any unanticipated adverse effects on the environment not described in the application or in the conditions of this permit.

Storm Sewer / Beach Outfall Elimination Project- Phase 3
Borough of Stone Harbor, Cape May County, New Jersey
RVW File: 05-10-U-062

Dear Ms. Stanford:

NJDEP has ruled the Borough of Stone Harbor must submit a Treatment Works Approval (TWA) Application for the installation of a sanitary sewer on First Avenue between 83rd and 84th Streets.

Please have resolution(s) for introduction at your August 5, 2014 Council agenda authorizing the Mayor to sign the Treatment Works Approval (TWA) application and authorizing issuance of the permit review fee of $858.17.

Additionally, we herewith request that the Borough prepare a (1) check in the amount of $858.17 (Eight Hundred Fifty-Eight Dollars and 17/100) for the permit review fee.

Please make the check payable to "Treasurer, State of New Jersey."

Please call this office when the check has been issued. Once the forms are executed by all the required third parties, we will forward to the Borough for final signatures. Our office will then file the application with the NJDEP.

Sincerely,

REMINGTON, VERNICK & WALBERG ENGINEERS

2013 Audit Report Corrective Action Plan

Finding #13-1:

Not all revenue collected in the Borough Clerk's Office for Sailcraft Permits in 2013 was recorded in the Clerk's cash book and deposited.

Cause:
There were four permits issued for which no deposit could be found

Recommendation:
Internal control should be improved in the Borough Clerk's Office to ensure that all permit and fee revenue collected is deposited to the credit of the Borough.

Explanation and Corrective Action:
A Borough employee outside of the Clerk's Office will perform periodic reconciliation procedures of the permits fee log and unissued permits to the cash book collections.

Implementation Date
Summer 2014

Subject: Avalon Track

Hi Miranda. Avalon School and Borough are applying for open space funding to install a track and fitness station at the school. Would you consider writing a letter of support from the Stone Harbor Rec? I am sure once it is in Stone Harbor residents and visitors would take advantage and use it as well as your department could plan events. Thanks for you consideration. I will need the letter by 8/10. Stacey Tracy
