ALARM SYSTEMS & FALSE ALARMS

Ordinance 1264 requires each property that has a fire, burglar or other alarm connected to an alarm company must have a "Knox Box" that contains a key to the property by the front entrance. Go to www.knoxbox.com to purchase a box online. Alarm systems must be maintained properly. Penalties have been established for two or more false alarms in a year.

The ordinance requires that a list of contact people be filed with the Police Department if your residence contains a burglar, fire or other alarm. Contact the Police Department at 368-2111 or our Web Site for more information.

DOGS & CATS

Dogs and cats must be licensed. Dogs must be on a leash when not confined. Person in charge of dog must clean up droppings immediately. Dogs are permitted on the beach from June 1st through September 30th from 7:00 pm to Sunset. Dogs must be leashed.

NOISE

If there is noise you find objectionable, please call the Police Department while it is occurring. If there is a violation, you may be required to sign a formal complaint. Your cooperation and respect for others is greatly appreciated.

WATER

Our supply continues to be adequate in quality and quantity. Conservation is requested, however. For billing questions call the Utilities Office, 368-4223. For service questions call Public Works, 368-7311.

ALCOHOLIC BEVERAGES

Open containers are not permitted on the streets, or on the beach or in any vehicle.

YARD SALES

Please register with the Borough Clerk at least 24 hours prior to the sale. You can have two sales per year, each for no more than two consecutive days. No signs are permitted on telephone poles or any public property.

CALL-IN SERVICE

Persons who intend to reside in Stone Harbor on a year-round basis should be aware of our Senior Call-In Service. Call the Police Department at 368-2111 for more information.

EMERGENCY CONTACTS:

Stone Harbor offers a free service in which any telephone number can be contacted with flood warnings or other emergency updates. Our WEB site contains the sign up form or you can call the Borough Clerk's office at 368-6800.

EMERGENCY ADVISORY

RADIO STATION

The station transmits on a frequency of 1670 AM. There is standard 24-hour information loop with information about local weather, public safety and upcoming events.

SOLUTIONS TO STORMWATER POLLUTION

Easy Things You Can Do Every Day to Protect Our Water

Pollution on streets, parking lots and lawns is washed by rain into storm drains, then directly to our drinking water supplies and the ocean and lakes our children play in. Fertilizer, oil, pesticides, detergents, pet waste, grass clippings: You name it and it ends up in our water.

Stormwater pollution is one of New Jersey's greatest threats to clean and plentiful water, and that's why we're all doing something about it.

By sharing the responsibility and making small, easy changes in our daily lives, we can keep common pollutants out of stormwater. It all adds up to cleaner water, and it saves the high cost of cleaning up once it's dirty.

As part of New Jersey's initiative to keep our water clean and plentiful and to meet federal requirements, many municipalities and other public agencies including colleges and military bases must adopt ordinances or other rules prohibiting various activities that contribute to stormwater pollution. Breaking these rules can result in fines or other penalties.

AS A RESIDENT, BUSINESS, OR OTHER MEMBER OF THE NEW JERSEY COMMUNITY, IT IS IMPORTANT TO KNOW THESE EASY THINGS YOU CAN DO EVERY DAY TO PROTECT OUR WATER.

LIMIT YOUR USE OF FERTILIZERS AND PESTICIDES

- Do a soil test to see if you need a fertilizer.
- Do not apply fertilizers if heavy rain is predicted.
- Look into alternatives for pesticides.
- Maintain a small lawn and keep the rest of your property or yard in a natural state with trees and other native vegetation that requires little or no fertilizer.
- If you use fertilizers and pesticides, follow the instructions on the label on how to correctly apply it. Make sure you properly store or discard any unused portions.

PROPERLY USE AND DISPOSE OF HAZARDOUS PRODUCTS

- Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze and paints.
- Do not pour any hazardous products down a storm drain because storm drains are usually connected to local waterbodies and the water is not treated.
- If you have hazardous products in your home or workplace, make sure you store or dispose of them properly. Read the label for guidance.
- Use natural or less toxic alternatives when possible.
- Recycle used motor oil.
- Contact Stone Harbor Public Works at 609-368-7311 or Cape May County Municipal Utilities Authority at 609-465-9026 for more information on the locations of hazardous-waste disposal.

KEEP POLLUTION OUT OF STORM DRAINS

- Municipalities and many other public agencies are required to mark certain storm drain inlets with messages reminding people that storm drains are connected to local waterbodies.
- Do not let sewage or other wastes flow into a stormwater system.

DON'T LITTER

- Place litter in trash receptacles.
- Recycle. Recycle. Recycle.
- Participate in community cleanups.

DISPOSE OF YARD WASTE PROPERLY

- Keep leaves and grass out of storm drains.
- If your municipality or agency has yard waste collection rules, follow them.
- Use leaves and grass clippings as a resource for compost.
- Use a mulching mower that recycles grass clippings into the lawn.

CLEAN UP AFTER YOUR PET

- Many municipalities and public agencies must enact and enforce local pet-waste rules.
 - An example is requiring pet owners or their keepers to pick up and properly dispose of pet waste dropped on public or other people's property.
 - Make sure you know your town's or agency's requirements and comply with them. It's the law.
- And remember to:**
- Use newspaper, bags or pooper-scoopers to pick up wastes.
 - Dispose of the wrapped pet waste in the trash or unwrapped in a toilet.
 - Never discard pet waste in a storm drain.

DON'T FEED WILDLIFE

- Do not feed wildlife, such as ducks and geese, in public areas.
- Many municipalities and other public agencies must enact and enforce a rule that prohibits wildlife feeding in these areas.
