Comments:

Please return this form as soon as possible by faxing to (609)368-2619 or emailing it to gougherj@shnj.org. You may also complete this form at <http://stoneharbornj.org>. Your completion of this form does not bind you, the Borough or any contractor, to any contractual agreement. **Take Notice** that if improvements have been made to your bulkhead and property area, they must be properly permitted in order for your property to be included in the project. Also, the costs associated with the dredging of your slip(s), including associated survey costs, will be your responsibility. The Borough looks forward to a successful partnership with private slip owners during this dredging project.
