ALARM SYSTEMS & FALSE ALARMS

Ordinance 1264 requires each property that has a fire, burglar or other alarm connected to an alarm company must have a "Knox Box" that contains a key to the property by the front entrance. Go to www.knoxbox.com to purchase a box online. Alarm systems must be maintained properly. Penalties have been established for two or more false alarms in a year.

The ordinance requires that a list of contact people be filed with the Police Department if your residence contains a burglar, fire or other alarm. Contact the Police Department at 368-2111 or our Web Site for more information.

NOISE

If there is noise you find objectionable, please call the Police Department while it is occurring. If there is a violation, you may be required to sign a formal complaint. Your cooperation and respect for others is greatly appreciated.

ALCOHOLIC BEVERAGES

Open containers are not permitted on the streets, or on the beach or in any vehicle.

YARD SALES

Please register with the Borough Clerk at least 24 hours prior to the sale. You can have two sales per year, each for no more than two consecutive days. No signs are permitted on telephone poles or any public property.

CALL-IN SERVICE

Persons who intend to reside in Stone Harbor on a year-round basis should be aware of our Senior Call-In Service. Call the Police Department at 368-2111 for more information.

EMERGENCY CONTACTS:

Stone Harbor offers a free service in which any telephone number can be contacted with flood warnings or other emergency updates. Our WEB site contains the sign up form or you can call the Borough Clerk's office at 368-6800.

EMERGENCY ADVISORY RADIO STATION

The station transmits on a frequency of 1670 AM. There is standard 24-hour information loop with information about local weather, public safety and upcoming events.

PARKING METER FEES

25 cents for 15 minutes. Beach and Water Tower lots are .25 cents for 30 minutes. Parking at the Beach Lot is free after 5:00 pm

Parking Permits are available in the Borough Clerk's office at the cost of \$225.00 per season. These permits are good in designated lots only.

BICYCLES

Riders must obey all traffic rules. No bicycles, skateboards, roller blades or scooters are allowed on the sidewalk in the Business District at any time. There is a bike lane available on Second Avenue.

PROPERTY CHECKS

A form is available at the Police Department. Use it to register your "heater light" and identify parties to be notified in case of an emergency in your residence.

BIRD SANCTUARY

Stone Harbor Bird Sanctuary (114th and 2nd Ave; 115th and 3rd Ave)
A National Natural Landmark, the Stone Harbor Bird Sanctuary, is a 21 acre bird sanctuary and nature preserve. There are four nature trails open to the public. No pets. Guided nature tours Memorial Day to Labor Day (Sundays at 10 am; Saturday and Sunday at 10 am July and August). Tours leave from 114th St. and 2nd Ave trail head.
More info at stoneharborbirdsantuary.org

STONE HARBOR POINT

Stone Harbor Point Natural Conservation Area
Stone Harbor Point is a specially designated conservation area. Beach use is restricted to protect rare birds and this important natural area (Per Ordinance #RGO 15-6). Special usage rules are in effect. Enjoy beach combing, nature observation and fishing. No Swimming or landing of water craft of any type. Dogs are never permitted at Stone Harbor Point. Stay out of protective fencing at all times. If you see shorebirds resting or feeding on the beach - give them wide berth. If your presence causes them to fly - you are too close.

DIAMONDBACK TERRAPINS

Diamondback Terrapins are salt marsh turtles that come ashore to nest from late May through July. They are commonly seen crossing roadways near and through the marshes where they suffer significant mortality from cars. Please do your part and slow down and be aware. If you encounter a terrapin on the roadway, and it's safe to do so, please help them cross in the direction they are traveling. If you encounter a terrapin in the process of nesting, please give them wide berth.

Stormwater Management

SOLUTIONS TO STORMWATER POLLUTION Easy Things You Can Do Every Day to Protect Our Water

Pollution on streets, parking lots and lawns is washed by rain into storm drains, then directly to our drinking water supplies and the ocean and lakes our children play in. Fertilizer, oil, pesticides, detergents, pet waste, grass clippings: You name it and it ends up in our water.

Stormwater pollution is one of New Jersey's greatest threats to clean and plentiful water, and that's why we're all doing something about it.

By sharing the responsibility and making small, easy changes in our daily lives, we can keep common pollutants out of stormwater. It all adds up to cleaner water, and it saves the high cost of cleaning up once it's dirty.

As part of New Jersey's initiative to keep our water clean and plentiful and to meet federal requirements, many municipalities and other public agencies including colleges and military bases must adopt ordinances or other rules prohibiting various activities that contribute to stormwater pollution. Breaking these rules can result in fines or other penalties.

LIMIT YOUR USE OF FERTILIZERS AND PESTICIDES

- Do a soil test to see if you need a fertilizer.
- Do not apply fertilizers if heavy rain is predicted.
- Look into alternatives for pesticides.
- Maintain a small lawn and keep the rest of your property or yard in a natural state with trees and other native vegetation that requires little or no fertilizer.
- If you use fertilizers and pesticides, follow the instructions on the label on how to correctly apply it. Make sure you properly store or discard any unused portions.

PROPERLY USE AND DISPOSE OF HAZARDOUS PRODUCTS

- Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze and paints.
- Do not pour any hazardous products down a storm drain because storm drains are usually connected to local waterbodies and the water is not treated.
- If you have hazardous products in your home or workplace, make sure you store or dispose of them properly. Read the label for guidance.
- Use natural or less toxic alternatives when possible.
- Recycle used motor oil.
- Contact Stone Harbor Public Works at 609-368-7311 or Cape May County Municipal Utilities Authority at 609-465-9026 for more information on the locations of hazardous-waste disposal.

KEEP POLLUTION OUT OF STORM DRAINS

- Municipalities and many other public agencies are required to mark certain storm drain inlets with messages reminding people that storm drains are connected to local waterbodies.
- Do not let sewage or other wastes flow into a stormwater system.

DISPOSE OF YARD WASTE PROPERLY

- Keep leaves and grass out of storm drains.
- If your municipality or agency has yard waste collection rules, follow them.
- Use leaves and grass clippings as a resource for compost.
- Use a mulching mower that recycles grass clippings into the lawn.

CLEAN UP AFTER YOUR PET

- Many municipalities and public agencies must enact and enforce local pet-waste rules.
- An example is requiring pet owners or their keepers to pick up and properly dispose of pet waste dropped on public or other people's property.
- Make sure you know your town's or agency's requirements and comply with them. It's the law.
- Please refrain from taking your dogs on the Second Avenue Islands as a courtesy to the Stone Harbor Garden Club in appreciation of their efforts to beautify the islands.
And remember to:
- Use newspaper, bags or pooper-scoopers to pick up wastes.
- Dispose of the wrapped pet waste in the trash or unwrapped in a toilet.
- Never discard pet waste in a storm drain.

DOGS & CATS

Dogs and cats must be licensed. Dogs must be on a leash when not confined. Person in charge of dog must clean up droppings immediately. Dogs are permitted on the beach from June 1st through September 30th from 7:00 pm to Sunset. Dogs must be leashed. Dogs and other pets not permitted at Stone Harbor Point at any time.

DON'T FEED WILDLIFE

- Do not feed wildlife, such as ducks and geese, in public areas.
- Many municipalities and other public agencies must enact and enforce a rule that prohibits wildlife feeding in these areas.

WATERING RESTRICTIONS

The watering of lawns and/or plant beds by way of an irrigation system is hereby restricted to the following mandatory schedule:

All properties north of and including 96th Street: Monday, Wednesday and Friday.

All properties South of 96th Street: Tues., Thurs., Sat.

No irrigation is permitted on any Sunday.

All such watering may only occur after the hour of 6:00 pm prevailing time or before the hour of 9:00 am prevailing time on each day watering is allowed. Every system utilized for irrigation shall be restricted to these times and durations.

Watering shall be limited to no more than 30 minutes per zone within each system.

All persons installing irrigation systems and all existing irrigation systems shall require the installation and use of Smart Irrigation Technologies with new construction or where an existing structure on the property is being renovated, restored or otherwise substantially altered. The Borough requires at least one (1) sensor be installed on the Smart System Irrigation Control System and a Certification from the Homeowner to be completed and kept on file in the Utilities Department.

WATER

Our supply continues to be adequate in quality and quantity. Conservation is requested, however. For billing questions call the Utilities Office, 368-4223. For service questions call Public Works, 368-7311.
