**By signing below, the property owners understand and agree to the following:**

**All property owners are participating in this program voluntarily.**

**The local government is required by FEMA to inform you that your participation in this project for structural elevation or open-space acquisition is voluntary. Neither the State nor the Local Government will use its eminent domain authority to acquire the property for open-space purposes if you choose not to participate in a Flood Mitigation Assistance / Hazard Mitigation Assistance grant program, or if negotiations fail.**

**The property owners are able to secure funds to pay for all related costs to elevate the structure prior to reimbursement.**

**The structural elevation will begin construction within FEMA's designed timeframe.**

**Important: All property owners listed on the current property deed must execute this document.**
