Public Comment:

Sandy Slabik- 323-84th St. Stone Harbor, NJ 08247- Spoke In agreement of marina project, she remembers discussing this topic years back and always wondered what happened to the project, feels it would be a sin to lose the grant. She understands there are a lot of complicated issues, which will need to be taken care of anyway, and she feels it will help the Borough moving forward with CRS, urges council to go ahead with project full steam.

Geoff Woolery- 217-110th St. Stone Harbor, NJ 08247 –Spoke regarding Marina Project, he feels the Marina is underutilized, he agrees that the plans look great, he asks that when plans are finalized to take your view up a little higher, meaning; looking down there are two condos there, so getting other people’s input is important. Also spoke regarding the L- Shaped Lot, whether the plans include to keep it as open space or develop the lot, must take into consideration how it fits into the marina plans.

Geoff Woolery for SHPOA- Beach sweep was very successful, over 40 volunteers- focus was on dunes, all trash ends up in the duns. 3 areas that he would like to focus on which are all so preventable 1. Doggy bags 2. Cigarette butts- are ending up everywhere is there a way to contain both? 3. Construction sites- debris ends up in the dune, some items have been purposefully dumped in dunes, which has been quickly addressed by the Borough.

Suzanne Walters- 115-92nd St. Stone Harbor, NJ 08247- Discussion about L Shaped Lot, she remembers the PB subdivided that lot years ago; 3 different parcels were discussed, this lot was one of them. Bulkhead- 16 years old, she thought it had a 25-30 year life span, is there anything in there insuring its lifespan, isn’t there a way to just cap?

No further comments were made. Mayor Davies-Dunhour Closed Public Comment.
