ALARM SYSTEMS & FALSE ALARMS

Ordinance 1264 requires each property that has a fire, burglar or other alarm connected to an alarm company must have a "Knox Box" that contains a key to the property by the front entrance. Go to www.knoxbox.com to purchase a box online. Alarm systems must be maintained properly. Penalties have been established for two or more false alarms in a year.

The ordinance requires that a list of contact people be filed with the Police Department if your residence contains a burglar, fire or other alarm. Contact the Police Department at 368-2111 or our Web Site for more information.

DOGS & CATS

Dogs and cats must be licensed. Dogs must be on a leash when not confined. Person in charge of dog must clean up droppings immediately. Dogs are permitted on the beach from June 1st through September 30th from 7:00 pm to Sunset. Dogs must be leashed. Dogs and other pets not permitted at Stone Harbor Point at any time.

NOISE

If there is noise you find objectionable, please call the Police Department while it is occurring. If there is a violation, you may be required to sign a formal complaint. Your cooperation and respect for others is greatly appreciated.

WATER

Our supply continues to be adequate in quality and quantity. Conservation is requested, however. For billing questions call the Utilities Office, 368-4223. For service questions call Public Works, 368-7311.

ALCOHOLIC BEVERAGES

Open containers are not permitted on the streets, or on the beach or in any vehicle.

YARD SALES

Please register with the Borough Clerk at least 24 hours prior to the sale. You can have two sales per year, each for no more than two consecutive days. No signs are permitted on telephone poles or any public property.

CALL-IN SERVICE

Persons who intend to reside in Stone Harbor on a year-round basis should be aware of our Senior Call-In Service. Call the Police Department at 368-2111 for more information.

EMERGENCY CONTACTS:

Stone Harbor offers a free service in which any telephone number can be contacted with flood warnings or other emergency updates. Our WEB site contains the sign up form or you can call the Borough Clerk's office at 368-6800.

EMERGENCY ADVISORY RADIO STATION

The station transmits on a frequency of 1670 AM. There is standard 24-hour information loop with information about local weather, public safety and upcoming events.

PARKING METER FEES

.25 cents for 15 minutes. Beach and Water Tower lots are .25 cents for 30 minutes. Parking at the Beach Lot is free after 5:00 pm

Parking Permits are available in the Borough Clerk's office at the cost of \$225.00 per season. These permits are good in designated lots only.

BICYCLES

Riders must obey all traffic rules. No bicycles, skateboards, roller blades or scooters are allowed on the sidewalk in the Business District at any time. There is a bike lane available on Second Avenue.

PROPERTY CHECKS

A form is available at the Police Department. Use it to register your "heater light" and identify parties to be notified in case of an emergency in your residence.

GENERAL INFORMATION

Protected bathing beaches shall be located at 81st, 83rd, 86th, 87th, 90th, 93rd, 94th, 95th, 96th, 100th, 102nd, 103rd, 105th, 108th, 110th, 112th, 113th, 116th, 117th 120th and 122nd Street. Rafts and body boards permitted on all protected beaches except 81st, 86th 105th, 110th, 112th and 122nd streets.

Handicapped access to beach: 80th, 83rd, 88th, 92nd, 95th, 101st, 103rd, 105th, 111th, & 119th.

The following are prohibited on the beach: picnics, alcoholic beverages, fires, and glass bottles.

No sleeping on the beach from sunset to sunrise.

For safety reasons, holes dug on the beach must be filled in.

SAILCRAFT

Must be licensed and beached at designated areas only. Sailcraft Permits are available in the Borough Clerk's Office at a cost of \$250.

BEACH VEHICLES

Vehicles are permitted on the beach by permit only from October 1 - March 31st. For information regarding permits, call 368-6800.

RESIDENTIAL RENTAL PROPERTIES

All residences that are rented must be registered and inspected by the Fire Bureau. Call (609) 368-5102 ext. 137 for forms and information.

BIRD SANCTUARY

Stone Harbor Bird Sanctuary (114th and 2nd Ave; 115th and 3rd Ave)
A National Natural Landmark, the Stone Harbor Bird Sanctuary, is a 21 acre bird sanctuary and nature preserve. There are four nature trails open to the public. No pets. Guided nature tours Memorial Day to Labor Day (Sundays at 10 am); Saturday and Sunday at 10 am July and August). Tours leave from 114th St. and 2nd Ave trail head.
More info at stoneharborbirdsantuary.org

STONE HARBOR POINT

Stone Harbor Point Natural Conservation Area
Stone Harbor Point is a specially designated conservation area. Beach use is restricted to protect rare birds and this important natural area (Per Ordinance #RGO 15-6). Special usage rules are in effect. Enjoy beach combing, nature observation and fishing. No Swimming or landing of water craft of any type. Dogs are never permitted at Stone Harbor Point. Stay out of protective fencing at all times. If you see shorebirds resting or feeding on the beach - give them wide berth. If your presence causes them to fly - you are too close.

DIAMONDBACK TERRAPINS

Diamondback Terrapins are salt marsh turtles that come ashore to nest from late May through July. They are commonly seen crossing roadways near and through the marshes where they suffer significant mortality from cars. Please do your part and slow down and be aware. If you encounter a terrapin on the roadway, and it's safe to do so, please help them cross in the direction they are traveling. If you encounter a terrapin in the process of nesting, please give them wide berth.

SOLUTIONS TO STORMWATER POLLUTION Easy Things You Can Do Every Day to Protect Our Water

Pollution on streets, parking lots and lawns is washed by rain into storm drains, then directly to our drinking water supplies and the ocean and lakes our children play in. Fertilizer, oil, pesticides, detergents, pet waste, grass clippings: You name it and it ends up in our water.

Stormwater pollution is one of New Jersey's greatest threats to clean and plentiful water, and that's why we're all doing something about it.

By sharing the responsibility and making small, easy changes in our daily lives, we can keep common pollutants out of stormwater. It all adds up to cleaner water, and it saves the high cost of cleaning up once it's dirty.

As part of New Jersey's initiative to keep our water clean and plentiful and to meet federal requirements, many municipalities and other public agencies including colleges and military bases must adopt ordinances or other rules prohibiting various activities that contribute to stormwater pollution. Breaking these rules can result in fines or other penalties.

LIMIT YOUR USE OF FERTILIZERS AND PESTICIDES

- Do a soil test to see if you need a fertilizer.
- Do not apply fertilizers if heavy rain is predicted.
- Look into alternatives for pesticides.
- Maintain a small lawn and keep the rest of your property or yard in a natural state with trees and other native vegetation that requires little or no fertilizer.
- If you use fertilizers and pesticides, follow the instructions on the label on how to correctly apply it. Make sure you properly store or discard any unused portions.

PROPERLY USE AND DISPOSE OF HAZARDOUS PRODUCTS

- Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze and paints.
- Do not pour any hazardous products down a storm drain because storm drains are usually connected to local waterbodies and the water is not treated.
- If you have hazardous products in your home or workplace, make sure you store or dispose of them properly. Read the label for guidance.
- Use natural or less toxic alternatives when possible.
- Recycle used motor oil.
- Contact Stone Harbor Public Works at 609-368-7311 or Cape May County Municipal Utilities Authority at 609-465-9026 for more information on the locations of hazardous-waste disposal.

KEEP POLLUTION OUT OF STORM DRAINS

- Municipalities and many other public agencies are required to mark certain storm drain inlets with messages reminding people that storm drains are connected to local waterbodies.
- Do not let sewage or other wastes flow into a stormwater system.

DISPOSE OF YARD WASTE PROPERLY

- Keep leaves and grass out of storm drains.
- If your municipality or agency has yard waste collection rules, follow them.
- Use leaves and grass clippings as a resource for compost.
- Use a mulching mower that recycles grass clippings into the lawn.

FEMA Flood Hazard Information

FLOOD HAZARD

The Borough of Stone Harbor wants to make all homeowners aware of the hazards of flooding in Stone Harbor and steps that you can take to minimize the damage to your property. The Borough maintains an active flood control program due to flooding from the Atlantic Ocean and the Great Channel during hurricanes, northeasters and other times of abnormally high tides.

FLOOD MAP

A Flood Insurance Rate Map (FIRM) is available at the Borough Construction Office. All buildable lots are located in the floodplain and are classified A-7 or A-8

FLOOD WARNING SYSTEM

The Stone Harbor Office of Emergency Management (OEM) utilizes many methods to notify residents of probable flooding conditions. All residents should check the weather forecasts for impending storms. If a flood is imminent an emergency alert system will be implemented. OEM will broadcast verbal directions over our siren system. Radio stations will be notified of emergency broadcasts. An AM radio station 1670 will provide information (tide times, bridge closings, shelter information, etc. during emergencies). Sign up for a personal telephone message warning at the Borough's web page www.stone-harbor.nj.us. Sign and mail back the form to be notified by phone of any emergency. The system will keep calling until the message is delivered.

FLOOD SAFETY

Please take action immediately when a flood warning is issued. If an evacuation is ordered, please follow directions. basic evacuation instructions are in your telephone book in the general information located in the front.

FLOOD INSURANCE

Standard Homeowners Insurance does not cover losses due to floods. Stone Harbor is a participant in the National Flood Insurance Program, and has achieved a rating which gives all homeowners a 15% discount on their flood insurance premiums. Note: There is a 30 day waiting period before new policies take effect. Flood insurance is not expensive and all homeowners are encouraged to talk to their insurance agents for further information.

PROPERTY PROTECTION

Various techniques are available to reduce flood damage to structures. We suggest that you consider raising your home to above the base flood elevation. This can reduce the risk of damage to your home and your possessions. The Construction Official is available to provide free advice to you about this and other preventative measures.

Cape May County, NJ Preliminary Work Map

**For Informational Purposes,
Not Intended for Official Use**

Flood Hazard Information

- 0.2% Annual Chance Boundary
- 1% Annual Chance Boundary

Risk Assessment, Mapping, and Planning Partners

PERMIT REQUIREMENTS

Always check with the Construction Office for proper permits before you build or alter your property. Report all illegal construction to the Construction Office. The Construction Office can provide information on how you can reduce your flood insurance premiums by modifying your house.

SUBSTANTIAL IMPROVEMENTS

If you improve or reconstruct for more than 50% of the value of your building, you must meet the construction requirements for a new building by elevating your structure so that the elevated floor is one foot above base flood elevation. The Construction Office can provide further details.

STORM DRAINAGE MAINTENANCE

The Department of Public Works maintains our storm drainage system. We have installed valves to prevent the inflow of tidal water while allowing rain water to escape. If you notice a drain that is not working properly, please contact Public Works at 368-7311. Please notify the Police if you observe anyone illegally dumping into our drainage system.

FLOODPLAIN

The natural flooding of the wetlands during tides provides the necessary nutrients to sustain the wildlife and plants that we all enjoy. By spending some time and effort, you can minimize the damage caused when nature provides too much of a good thing. Please visit our local library and Construction Office for reference materials and information that will help you reduce the damage that may be caused by the next flood.

FEMA

CLEAN UP AFTER YOUR PET

- Many municipalities and public agencies must enact and enforce local pet-waste rules.
- An example is requiring pet owners or their keepers to pick up and properly dispose of pet waste dropped on public or other people's property.
- Make sure you know your town's or agency's requirements and comply with them. It's the law.
- Please refrain from taking your dogs on the Second Avenue Islands as a courtesy to the Stone Harbor Garden Club in appreciation of their efforts to beautify the islands.
And remember to:
- Use newspaper, bags or pooper-scoopers to pick up wastes.
- Dispose of the wrapped pet waste in the trash or unwrapped in a toilet.
- Never discard pet waste in a storm drain.

DON'T FEED WILDLIFE

- Do not feed wildlife, such as ducks and geese, in public areas.
- Many municipalities and other public agencies must enact and enforce a rule that prohibits wildlife feeding in these areas.

WATERING RESTRICTIONS

The watering of lawns and/or plant beds by way of an irrigation system is hereby restricted to the following mandatory schedule:

All properties north of and including 96th Street:
Monday, Wednesday and Friday.

All properties South of 96th Street: Tues., Thurs., Sat.

All such watering may only occur after the hour of 6:00 pm prevailing time or before the hour of 9:00 am prevailing time on each day watering is allowed. Every system utilized for irrigation shall be restricted to these times and durations.

Watering shall be limited to no more than 30 minutes per zone within each system.

All persons installing irrigation systems and all existing irrigation systems shall require the installation and use of Smart Irrigation Technologies with new construction or where an existing structure on the property is being renovated, restored or otherwise substantially altered. The Borough requires at least one (1) sensor be installed on the Smart System Irrigation Control System and a Certification from the Homeowner to be completed and kept on file in the Utilities Department.

2015 CLEAN UP DAYS:

March 9th

May 4th

September 21st

October 26th

Curbside placement of old furniture, appliances and "junk" should be done within 72 hours prior to these dates.

Construction debris will not be removed. Bulk trash cannot be set out at any other time (RCO 2005 466-9(B))

Do not place bundled brush at curbside during bulk days. Bundled brush must always be placed behind house.

- Household Hazardous Waste and Paint - call 368-7311 for instructions.

GRASS CLIPPINGS/LEAVES

Bag all clippings, grass, leaves, pine needles, etc. Keep bags in rear yard OR near trash containers.

BRUSH/SMALL BRANCHES

Tie in bundles. Bundles cannot be larger than 3' in length by 2' in diameter. Branches cannot be larger than 2" round. Keep bundles in rear yard.

- Do not mix BRUSH with GRASS CLIPPINGS, LEAVES
- Do not mix BRUSH, GRASS CLIPPINGS/LEAVES with TRASH.
- DO NOT put bundled or bagged BRUSH, CLIPPINGS, GRASS, LEAVES, etc., or any TREE TRUNKS, LARGE TREE LIMBS, ROOT BALLS or DIRT curbside at any time, including for bulk trash pickup days.
