## DIRECT DEBIT

Direct Debit payment is available for property taxes and water/sewer bills. If you interested in Direct Debit payments please visit [www.stoneharbornj.org](http://www.stoneharbornj.org). A voided check is mandatory.

## ALARM SYSTEMS & FALSE ALARMS

Ordinance 1264 requires each property that has a fire, burglar or other alarm connected to an alarm company must have a "Knox Box" that contains a key to the property by the front entrance. Go to [www.knoxbox.com](http://www.knoxbox.com) to purchase a box online. Alarm systems must be maintained properly. Penalties have been established for two or more false alarms in a year.

The ordinance requires that a list of contact people be filed with the Police Department if your residence contains a burglar, fire or other alarm. Contact the Police Department at 368-2111 or our Web Site for more information.

## NOISE

If there is noise you find objectionable, please call the Police Department while it is occurring. If there is a violation, you may be required to sign a formal complaint. Your cooperation and respect for others is greatly appreciated.

## ALCOHOLIC BEVERAGES

Open containers are not permitted on the streets, or on the beach or in any vehicle.

## YARD SALES

Please register with the Borough Clerk at least 24 hours prior to the sale. You can have two sales per year, each for no more than two consecutive days. No signs are permitted on telephone poles or any public property.

## CALL-IN SERVICE

Persons who intend to reside in Stone Harbor on a year-round basis should be aware of our Senior Call-In Service. Call the Police Department at 368-2111 for more information.

## BICYCLES

Riders must obey all traffic rules. No bicycles, skateboards, roller blades or scooters are allowed on the sidewalk in the Business District at any time. There is a bike lane available on Second Avenue.

## EMERGENCY NOTIFICATIONS

Code Red is a telephone communication service for emergency notifications and the distribution of information considered to be important.

The system will alert all subscribers in case of an emergency situation that requires immediate action, such as an evacuation, severe thunderstorm, flash flood tornado warning, etc. If you would like to receive CodeRED emergency messages you may sign up by visiting <http://stoneharbornj.org/codered/>

## EMERGENCY ADVISORY RADIO STATION

The station transmits on a frequency of 1670 AM. There is standard 24-hour information loop with information about local weather, public safety and upcoming events.

## PARKING METER FEES

## DIAMONDBACK TERRAPINS

Diamondback Terrapins are salt marsh turtles that come ashore to nest from late May through July. They are commonly seen crossing roadways near and through the marshes where they suffer significant mortality from cars. Please do your part and slow down and be aware. If you encounter a terrapin on the roadway, and it's safe to do so, please help them cross in the direction they are traveling. If you encounter a terrapin in the process of nesting, please give them wide berth.

## ORDINANCE UPDATES

### SINGLE USE PLASTIC BAN IN EFFECT 6/1/19

The Borough has enacted a ban of Single Use plastics and styrofoam within our business community. On average one person uses 500 single use disposable bags per year. Help us eliminate plastic bags and single use plastics including styrofoam. All homeowners are encouraged to do their part:

- Bring reusable bags when shopping in town
- Keep plastic bags and single use plastics off our beaches
- Review Recycling Guidelines & Recycle Properly

## SOLUTIONS TO STORMWATER POLLUTION Easy Things You Can Do Every Day to Protect Our Water

Pollution on streets, parking lots and lawns is washed by rain into storm drains, then directly to our drinking water supplies and the ocean and lakes our children play in. Fertilizer, oil, pesticides, detergents, pet waste, grass clippings: You name it and it ends up in our water.

Stormwater pollution is one of New Jersey's greatest threats to clean and plentiful water, and that's why we're all doing something about it.

By sharing the responsibility and making small, easy changes in our daily lives, we can keep common pollutants out of stormwater. It all adds up to cleaner water, and it saves the high cost of cleaning up once it's dirty.

As part of New Jersey's initiative to keep our water clean and plentiful and to meet federal requirements, many municipalities and other public agencies including colleges and military bases must adopt ordinances or other rules prohibiting various activities that contribute to stormwater pollution. Breaking these rules can result in fines or other penalties.

## LIMIT YOUR USE OF FERTILIZERS AND PESTICIDES

- Do a soil test to see if you need a fertilizer.
- Do not apply fertilizers if heavy rain is predicted.
- Look into alternatives for pesticides.
- Maintain a small lawn and keep the rest of your property or yard in a natural state with trees and other native vegetation that requires little or no fertilizer.
- If you use fertilizers and pesticides, follow the instructions on the label on how to correctly apply it. Make sure you properly store or discard any unused portions.

## PROPERLY USE AND DISPOSE OF HAZARDOUS PRODUCTS

- Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze and paints.
- Do not pour any hazardous products down a storm drain because storm drains are usually connected to local waterbodies and the water is not treated.
- If you have hazardous products in your home or workplace, make sure you store or dispose of them properly. Read the label for guidance.
- Use natural or less toxic alternatives when possible.
- Recycle used motor oil.
- Contact Stone Harbor Public Works at 609-368-7311 or Cape May County Municipal Utilities Authority at 609-465-9026 for more information on the locations of hazardous-waste disposal.

## KEEP POLLUTION OUT OF STORM DRAINS

- Municipalities and many other public agencies are required to mark certain storm drain inlets with messages reminding people that storm drains are connected to local waterbodies.
- Do not let sewage or other wastes flow into a stormwater system.

## DISPOSE OF YARD WASTE PROPERLY

- Keep leaves and grass out of storm drains.
- If your municipality or agency has yard waste collection rules, follow them.
- Use leaves and grass clippings as a resource for compost.
- Use a mulching mower that recycles grass clippings into the lawn.

## CLEAN UP AFTER YOUR PET

- Many municipalities and public agencies must enact and enforce local pet-waste rules.
- An example is requiring pet owners or their keepers to pick up and properly dispose of pet waste dropped on public or other people's property.
- Make sure you know your town's or agency's requirements and comply with them. It's the law.
- Please refrain from taking your dogs on the Second Avenue Islands as a courtesy to the Stone Harbor Garden Club in appreciation of their efforts to beautify the islands.  
**And remember to:**
- Use newspaper, bags or pooper-scoopers to pick up wastes.
- Dispose of the wrapped pet waste in the trash or unwrapped in a toilet.
- Never discard pet waste in a storm drain.

## DOGS & CATS

Dogs and cats must be licensed. Dogs must be on a leash when not confined. Person in charge of dog must clean up droppings immediately. Dogs are permitted on the beach from June 1st through September 30th from 7:00 pm to Sunset. Dogs must be leashed. Dogs and other pets not permitted at Stone Harbor Point at any time.

## DON'T FEED WILDLIFE

- Do not feed wildlife, such as ducks and geese, in public areas.
- Many municipalities and other public agencies must enact and enforce a rule that prohibits wildlife feeding in these areas.

## STONE HARBOR POINT

Stone Harbor Point Natural Conservation Area Stone Harbor Point is a specially designated conservation area. Beach use is restricted to protect rare birds and this important natural area (Per Ordinance #RGO 15-6). Special usage rules are in effect. Enjoy beach combing, nature observation and fishing. No Swimming or landing of water craft of any type. Dogs are never permitted at Stone Harbor Point. Stay out of protective fencing at all times. If you see shorebirds resting or feeding on the beach - give them wide berth. If your presence causes them to fly - you are too close.

## WATERING RESTRICTIONS

The watering of lawns and/or plant beds by way of an irrigation system is hereby restricted to the following mandatory schedule:

All properties north of and including 96th Street: Monday, Wednesday and Friday.

All properties South of 96th Street: Tues, Thurs, Sat.

No irrigation is permitted on any Sunday.

All such watering may only occur after the hour of 6:00 pm prevailing time or before the hour of 9:00 am prevailing time on each day watering is allowed. Every system utilized for irrigation shall be restricted to these times and durations.

## CONSERVATION

Please exercise due diligence in conserving water. Water conservation is any beneficial reduction in water loss, or water use. Conserving water is a year-round activity. Commit to cutting back your water usage and practice conserving water throughout the year! Let us all do our part to preserve our precious, natural resource. To learn hundreds of conservation tips; how to conduct a home water audit; or how to grow indigenous, drought tolerant plants, please visit [www.wateruseitwisely.com](http://www.wateruseitwisely.com).

## SHADE TREE COMMITTEE

The Shade Tree pamphlet has been designed by the Shade Tree Committee and educates the community on the importance of planting, maintaining and replacing trees in order to provide for the benefit of the tree population now and in the future. The pamphlet can be viewed on the Borough website [www.shnj.org](http://www.shnj.org). Other websites available:
