CONTACT INFORMATION
For more information on stormwater related topics, visit www.njstormwater.org or www.nonpointsource.org

Additional information is also available at U. S. Environmental Protection Agency Web sites www.epa.gov/npdes/stormwater or www.epa.gov/nps

New Jersey Department of Environmental Protection Division of Water Quality Bureau of Nonpoint Pollution Control Municipal Stormwater Regulation Program (609) 633-7021 www.cleanwaternj.org

Please contact the Utilities Department at (609)368-4223 for further information.
DIRECT DEBIT
Direct Debit payment is available for property taxes and water/sewer bills. If you are interested in Direct Debit payments please visit www.SHNJ.org. A voided check is mandatory.

ALARM SYSTEMS & FALSE ALARMS
Ordinance 1264 requires each property that has a fire, burglar or other alarm connected to an alarm company must have a “Knox Box” that contains a key to the property by the front entrance. Go to www.knoxbbox.com to purchase a box online. Alarm systems must be maintained properly. Penalties have been established for two or more false alarms in a year.

The ordinance requires that a list of contact people be filed with the Police Department if your residence contains a burglar, fire or other alarm. Contact the Police Department at 368-2111 or visit www.SHNJ.org for more information.

NOISE
If there is noise you find objectionable, please call the Police Department while it is occurring. If there is a violation, you may be required to sign a formal complaint. Your cooperation and respect for others is greatly appreciated.

ALCOHOLIC BEVERAGES
Open containers are not permitted on the streets, or on the beach or in any vehicle.

YARD SALES
Please register with the Borough Clerk at least 24 hours prior to the sale. You can have two sales per year, each for no more than two consecutive days. No signs are permitted on telephone poles or any public property.

CALL-IN SERVICE
Persons who intend to reside in Stone Harbor on a year-round basis should be aware of our Senior Call-In Service. Call the Police Department at 368-2111 for more information.

BICYCLES
Riders must obey all traffic rules. No bicycles, skateboards, roller blades or scooters are allowed on the sidewalk in the Business District at any time. There is a bike lane available on Second Avenue.

EMERGENCY NOTIFICATIONS
Code Red is a telephone communication service for emergency notifications and the distribution of information considered to be important. The system will alert all subscribers in case of an emergency situation that requires immediate action, such as an evacuation, severe thunderstorm, flash flood, tornado warning, etc. If you would like to receive CodeRED emergency messages you may sign up by visiting www.SHNJ.org/codered

WEATHER THE STORM
DOWNLOAD THE FEMA APP

EMERGENCY ADVISORY
RADIO STATION
The station transmits on a frequency of 1670 AM. There is standard 24-hour information loop with information about local weather, public safety and upcoming events.

PARKING METER FEES
25 cents for 15 minutes. Beach and Water Tower lots are .25 cents for 30 minutes. Parking at the Beach Lot is free after 5:00 pm.

Parking Permits are available in the Borough Clerk’s office at the cost of $225.00 per season. These permits are good in designated lots only.

PROPERTY CHECKS
A form is available at the Police Department. Use it to register your “heater light” and identify parties to be notified in case of an emergency in your residence.

RESIDENTIAL RENTAL PROPERTIES
All residences that are rented must be registered and inspected by the Fire Bureau. Call (609) 368-5102 ext. 737 for forms and information.
GENERAL INFORMATION
- Protected bathing beaches shall be located at 81st, 83rd, 86th, 87th, 90th, 93rd, 94th, 95th, 96th, 100th, 102nd, 103rd, 105th, 108th, 110th, 112th, 113th, 116th, 117th, 120th and 122nd Street. Rafts and body boards permitted on all protected beaches except 81st, 86th, 105th, 110th, 112th and 122nd streets.
- Handicapped access to beach: 80th, 83rd, 88th, 92nd, 95th, 101st, 103rd, 105th, 111th, & 119th.
- The following are prohibited on the beach: picnics, alcoholic beverages, fires, glass bottles and smoking
- No sleeping on the beach from sunset to sunrise.
- For safety reasons, holes dug on the beach must be filled in.

SAILCRAFT
Must be licensed and beached at designated areas only. Sailcraft Permits are available in the Borough Clerk’s Office at a cost of $250.

BEACH VEHICLES
Vehicles are permitted on the beach by permit only from October 1st - March 31st. For information regarding permits, call 368-6800.

BIRD SANCTUARY
Stone Harbor Bird Sanctuary (114th and 2nd Ave; 115th and 3rd Ave)
A National Natural Landmark, the Stone Harbor Bird Sanctuary, is a 21 acre bird sanctuary and nature preserve. There are four nature trails open to the public. For tour information visit stoneharborbirdsanctuary.org

DIAMONDBACK TERRAPINS
Diamondback Terrapins are salt marsh turtles that come ashore to nest from late May through July. They are commonly seen crossing roadways near and through the marshes where they suffer significant mortality from cars. Please do your part and slow down and be aware. If you encounter a terrapin on the roadway, and it’s safe to do so, please help them cross in the direction they are traveling. If you encounter a terrapin in the process of nesting, please give them wide berth.

ORDINANCE UPDATES
SINGLE USE PLASTIC BAN IN EFFECT
The Borough has enacted a ban of Single Use plastics and styrofoam within our business community. On average one person uses 500 single use disposable bags per year. Help us eliminate plastic bags and single use plastics including styrofoam. All homeowners are encouraged to do their part:
- Bring reusable bags when shopping in town
- Keep plastic bags and single use plastics off our beaches
- Review Recycling Guidelines & Recycle Properly

FOR CONSTRUCTION
- No demolition or pilings, with the exception of bulkhead repairs, July 1 until Friday after Labor Day.
- No work on any site prior to 8 am or after 6 pm
- No heavy equipment prior to 9 am July 1 until Friday after Labor Day
- No work on Sundays, starting July 1 until Friday after Labor Day.
- No Work - Memorial Day Weekend, Thanksgiving Weekend, July 4th, Labor Day Weekend
- Work on Saturday 9 am – 5 pm is permitted July 1 until Saturday after Labor Day with some exceptions
Contractor Information prominently displayed on site.
Ordinances can be viewed at www.shnj.org

SOLUTIONS TO STORMWATER POLLUTION
Easy Things You Can Do Every Day to Protect Our Water

Pollution on streets, parking lots and lawns is washed by rain into storm drains, then directly to our drinking water supplies and the ocean and lakes our children play in. Fertilizer, oil, pesticides, detergents, pet waste, grass clippings: You name it and it ends up in our water.

Stormwater pollution is one of New Jersey’s greatest threats to clean and plentiful water, and that’s why we’re all doing something about it.

By sharing the responsibility and making small, easy changes in our daily lives, we can keep common pollutants out of stormwater. It all adds up to cleaner water, and it saves the high cost of cleaning up once it's dirty.

As part of New Jersey’s initiative to keep our water clean and plentiful and to meet federal requirements, many municipalities and other public agencies including colleges and military bases must adopt ordinances or other rules prohibiting various activities that contribute to stormwater pollution. Breaking these rules can result in fines or other penalties.

LIMIT YOUR USE OF FERTILIZERS AND PESTICIDES
• Do a soil test to see if you need a fertilizer.
• Do not apply fertilizers if heavy rain is predicted.
• Look into alternatives for pesticides.
• Maintain a small lawn and keep the rest of your property or yard in a natural state with trees and other native vegetation that requires little or no fertilizer.
• If you use fertilizers and pesticides, follow the instructions on the label on how to correctly apply it. Make sure you properly store or discard any unused portions.
• Hire an environmentally friendly landscape company that is aware of nutrient impacts.

PROPERLY USE AND DISPOSE OF HAZARDOUS PRODUCTS
• Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze and paints.
• Do not pour any hazardous products down a storm drain because storm drains are usually connected to local waterbodies and the water is not treated.
• If you have hazardous products in your home or workplace, make sure you store or dispose of them properly. Read the label for guidance.
• Use natural or less toxic alternatives when possible.
• Recycle used motor oil.
• Contact Stone Harbor Public Works at 609-368-7311 or Cape May County Municipal Utilities Authority at 609-465-9026 for more information on the locations of hazardous-waste disposal.

KEEP POLLUTION OUT OF STORM DRAINS
• Municipalities and many other public agencies are required to mark certain storm drain inlets with messages reminding people that storm drains are connected to local waterbodies.
• Do not let sewage or other wastes flow into a stormwater system.

DISPOSE OF YARD WASTE PROPERLY
• Keep leaves and grass out of storm drains.
• If your municipality or agency has yard waste collection rules, follow them.
• Use leaves and grass clippings as a resource for compost.
• Use a mulching mower that recycles grass clippings into the lawn.
FEMA Flood Hazard Information

GENERAL PREPAREDNESS
Storms and other flooding events are unpredictable and can often have a greater impact than predicted. Hurricane and Nor’ easter type storm events can cause significant flooding within the Borough of Stone Harbor. Property Owners are encouraged to make necessary preparations in advance of a significant storm event. Stone Harbor recommends that your family have a plan for your safety and property protection at all times and be prepared to execute that plan before a storm is imminent. All emergency notification originate from the Borough of Stone Harbor Office of Emergency Management including evacuations, emergency routes, and flooding impacts. Log onto www.stoneharboremergency.com for tips on how to prepare an evacuation kit, available shelters, road closures, and other essential information. During or after any storm event, never drive on a flooded street of intersection as this puts you and others at risk.

Additional Online Map Services Available can be found on the following websites:
NJ Flood Mapper: Interactive mapping website to visualize coastal flooding hazards and sea level rise http://www.njfloodmapper.org/
Region2Coastal: FEMA Region II Coastal Analysis & Mapping http://www.region2coastal.com/
NJ GeoWeb: Interaction with NJDEP GIS Data, can provide customized profiles http://www.nj.gov/dep/gis/geowebsplash.htm

FLOOD HAZARD
The Borough of Stone harbor wants to make all homeowners aware of the hazards of flooding in Stone harbor and steps that you can take to minimize the damage to your property The Borough maintains an active flood control program due to flooding from the Atlantic Ocean and the Great Channel during hurricanes, northeasters and times of abnormally high tides. Detailed Flood maps, showing base flood elevations of the island during storm events can be found on the Borough website http://stoneharbornj.org/borough-of-stone-harbor-map-information/. Information on base flood elevations specific to the area in which your home is located can also be obtained by contacting the Borough of Stone Harbor Construction Office @ (609) 368-6814.

FLOOD MAP(S)
A Flood Insurance Rate Map (FIRM) is available at the Borough Construction Office and can also be viewed on the Borough website www.shnj.org. All buildable lots are located in the floodplain and are classified A-7 or A-8. Additional flood maps that show major flooding, SFHA, BFE and Historic Flooding can also be viewed at the Borough Construction office, Cape May County Library, Stone Harbor Branch and online. A copy of your Elevation Certificate (if available) may also be obtained at the Borough Construction Office or viewed online at http://stoneharbornj.org/flood-information/flood-elevation-certificates/
For Flood zone call Stone Harbor Construction Office at (609)368-6814.

FLOOD WARNING SYSTEM
The Stone Harbor Office of Emergency Management (OEM) utilizes many methods to notify residents of probable flooding conditions. All residents should check the weather forecast for impending storms and are encouraged to subscribe to the Stone Harbor Emergency website notification system CODERED. If a flood is imminent, an emergency alert system will be implemented. OEM will broadcast verbal directions over our siren system. Radio Stations will be notified of emergency broadcasts and information on the impending storm are relayed via Comcast television Channel 97; 1670 AM Radio Station; Stone Harbor Emergency Website (http://stoneharboremergency.com/) and by Code Red – Stone Harbor’s official emergency alert telephone call system.
Borough of Stone Harbor
Adopted Firm Maps
Effective Date: October 5, 2017

Additional flood maps that show major flooding, SFHA, BFE and Historic Flooding can be viewed in the Construction Office or viewed online at http://stoneharbornj.org/flood-information/community-rating-system-activities-and-information/

- 1 inch = 1,100 feet
FLOOD SAFETY
Please take action immediately when a flood warning is issued. If an evacuation is ordered, please follow directions. Evacuation routes and potential flooding to our area can be located on the Borough website http://stoneharbornj.org/wp-content/uploads/2016/08/Cape-May-County-Evacuation-Route-2013.pdf Consider implementing a plan with family members in the event of a flooding/storm emergency. Adhere to all direction provided by the Office of emergency Management (OEM) to ensure the safety of you, your family and all emergency personnel.

FLOOD INSURANCE
Standard Homeowner Insurance does not cover losses due to floods. The Borough of Stone harbor participates in the National Flood Insurance Program, and has achieved a rating which currently gives all homeowners a 25% discount on their flood insurance premiums. Flood Insurance is mandatory if the building is subject to any federally guaranteed financing. Reduced rates are available depending on your home elevation and deductible amounts. NOTE: There is a 30 day waiting period before new policies take effect so all homeowners are encouraged to talk to their insurance agents for further information.

PROPERTY PROTECTION
Various techniques that can be used to flood proof your structure and reduce the potential of future flood damage would be to retrofit your property by elevating your home, flood proofing the building and redirecting drainage away from the building. The Construction office is available to provide advice to you on the building regulations required to comply with federal flood standards and can provide information on financial assistance for property protection measures (if available). (609)368-6814

PERMIT REQUIREMENTS
All new construction and renovation projects require local permits. Various State and County permits also may be required depending on the type and location of the project. Always check with the Construction Office for proper permits before you build or alter your property and to determine special regulations that may be in effect relating to your location in the special flood hazard zone.

SUBSTANTIAL IMPROVEMENTS
If you improve or reconstruct for more than 40% of the value of your building you must meet the construction requirements for a new building by elevating your structure so that the elevated floor is one foot above base flood elevation. The Construction Office can provide you with further details.

STORM DRAINAGE MAINTENANCE
The Department of Public Works maintains our storm drainage system. The Borough has installed tide flex backflow valves on outfall pipes to prevent the inflow of tidal water while allowing rainwater to escape. If you notice a drain that is not working properly, please contact Public Works at (609)368-7311. Please notify the Police if you observe anyone illegally dumping into the Boroughs drainage system.

NATURAL & BENEFICIAL FUNCTIONS
The dune structure of Stone Harbor provides a natural barrier to the island from the sea. When storms occur, the dune areas are protected from the resulting flooding and beach erosion is consequently minimal. Dune protection Ordinances prohibit anyone from entering the dunes therefore offering a safeguard to ensure that the dune structure is not disturbed. Routine dune grass planting gives the dune natural protection preventing erosion. Beach and Dune replenishment is a necessary event. The natural barriers along Stone Harbor’s coastline have helped to keep the waters from infiltrating onto the island.

For More Flood Information Please Visit These Websites: www.floodsmart.com & www.FEMA.gov
CLEAN UP AFTER YOUR PET

- Many municipalities and public agencies must enact and enforce local pet-waste rules.
- An example is requiring pet owners or their keepers to pick up and properly dispose of pet waste dropped on public or other people's property.
- Make sure you know your town's or agency's requirements and comply with them. It's the law.
- Please refrain from taking your dogs on the Second Avenue Islands as a courtesy to the Stone Harbor Garden Club in appreciation of their efforts to beautify the islands.

And remember to:
- Use newspaper, bags or pooper-scoopers to pick up wastes.
- Dispose of the wrapped pet waste in the trash or unwrapped in a toilet.
- Never discard pet waste in a storm drain.

DOGS & CATS

Dogs and cats must be licensed. Dogs must be on a leash when not confined. Person in charge of dog must clean up droppings immediately. Dogs, under leash, are permitted on the beach from 7:00 pm to sunset from the Friday before Memorial Day through Labor Day. Dogs, under leash, are permitted on the beach at any time from the day after Labor Day through the Thursday before Memorial Day. Dogs must be leashed. Dogs, and other pets, are never permitted at Stone Harbor Point Conservation Area.

DON'T FEED WILDLIFE

- Do not feed wildlife, such as ducks and geese, in public areas.
- Many municipalities and other public agencies must enact and enforce a rule that prohibits wildlife feeding in these areas.

STONE HARBOR POINT

Stone Harbor Point Natural Conservation Area

Stone Harbor Point is a specially designated conservation area. Beach use is restricted to protect rare birds and this important natural area (Per Ordinance #RGO 15-6). Special usage rules are in effect. Enjoy beach combing, nature observation and fishing. No Swimming or landing of water craft of any type. Dogs are never permitted at Stone Harbor Point. Stay out of protective fencing at all times. If you see shorebirds resting or feeding on the beach - give them wide berth. If your presence causes them to fly - you are too close.

WATERING RESTRICTIONS

The watering of lawns and/or plant beds by way of an irrigation system is hereby restricted to the following mandatory schedule:

All properties north of and including 96th Street: Monday, Wednesday and Friday.

All properties South of 96th Street: Tues., Thurs., Sat.

No irrigation is permitted on any Sunday.

All such watering may only occur after the hour of 6:00 pm prevailing time or before the hour of 9:00 am prevailing time on each day watering is allowed. Every system utilized for irrigation shall be restricted to these times and durations.

CONSERVATION

Please exercise due diligence in conserving water. Water conservation is any beneficial reduction in water loss, or water use. Conserving water is a year-round activity. Commit to cutting back your water usage and practice conserving water throughout the year! Let us all do our part to preserve our precious, natural resource. To learn hundreds of conservation tips; how to conduct a home water audit; or how to grow indigenous, drought tolerant plants, please visit www.wateruseitwisely.com.

SHADE TREE COMMITTEE

The Shade Tree pamphlet has been designed by the Shade Tree Committee and educates the community on the importance of planting, maintaining and replacing trees in order to provide for the benefit of the tree population now and in the future. The pamphlet can be viewed on the Borough website www.shnj.org. Other websites available:
