# <u>HEARING OF THE PUBLIC ON MEMORIALS, RESOLUTIONS, PETITIONS & COMPLAINTS</u>

Ray Parzych- 9925 Sunset Drive: Mr. Parzych is reluctant to do away with the Uitlities Department and thought that Councilmember Parzych did a good job of explaining her concerns. Mr. Parzych stated that the borough is very fortunate to have Manny Parada with his credentials. Mr. Parzych agrees that the Director Public Works should be the Director Utilities and agrees that the Ordinance change should state that the Director Utilities should report to the Director of Public Works, not the Mayor.

Geoffrey Woolery – SHPOA – Comment on 93<sup>rd</sup> Street Pump Station. He reviewed the increase in cost and the fact that SHPOA strongly urged that if the project was to move forward there should be a peer review completed. SHPOA supports the decision to terminate the 93<sup>rd</sup> Street Pump Station project. Mr. Woolery suggests that moving forward the borough should have a robust plan/design that is specific and well thought out and that it should be endorsed by this group. Mr. Woolery also suggests defining a team to oversee the project which will clearly define roles, determine a budget and have a specific process in place. Mr. Woolery would also like the council to review what has happened in the past and use the loss as a guide when moving forward.
